vinittiwari.bsite.net • vinit-tiwari-11b80a278/

Enthusiastic and detail-oriented final-year Bachelor of Computer Applications (BCA) student at Rajasthan University, with a solid foundation in computer science principles and programming. Demonstrated proficiency in key programming languages such as Java, Python, and C++, along with hands-on experience in web development, database management, and software engineering principles. Adept at problem-solving and analytical thinking, with a strong ability to adapt and learn new technologies quickly. Proven track record of academic excellence and a keen interest in applying theoretical knowledge to real-world challenges. Eager to leverage technical skills and innovative mindset in a dynamic entry-level position within a forward-thinking organization.

Experience

Data Analytics and Visualization Job Simulation | Accenture North America (Forage)
August 2024

- Completed a simulation focused on advising a hypothetical social media client as a Data Analyst at Accenture
- Cleaned, modelled and analysed 7 datasets to uncover insights into content trends to inform strategic decisions
- Prepared a PowerPoint deck and video presentation to communicate key insights for the client and internal stakeholders

Python Programming Intern | CodSoft
June, 2024 – July, 2024

- Developed and maintained Python-based applications and scripts.
- To automate repetitive tasks, enhancing operational efficiency and accuracy.
- Gained hands-on experience with Python programming tools or technologies.
- Created GUI based applications and other real-world projects.

Projects

The Coffee Hub
- **Link: vrtcoffeeproject.netlify.app**
- **Technologies: HTML, CSS, JS**
- **Description: This project was built for an actual coffee business website with features that include About, Contact, Business, Store details.**

Portfolio
- **Link: vinittiwari.bsite.net**
- **Technologies: Asp .Net, CSS, Bootstrap**
- **Description: Developed a personal portfolio website showcasing projects and skills, utilizing Asp .Net web application.**

Skills

- **Programming Languages:** Java, Python, C++
- **Web Development:** HTML, CSS, JavaScript, Asp.Net
- **Database Management:** MSSQL, MySQL
- **Software Development:** SDLC, Agile Methodology
- **Problem-Solving:** Analytical Thinking, Debugging
- **Technical Skills:** Software Engineering, Systems Analysis
- **Frameworks & Libraries:** React, Node.js, Express.js, NumPy, Pandas, Matplotlib, Seaborn, Django, Tkinter, scikit-learn
- **Cloud Platforms:** GitHub, Docker, cloud computing

Education

Bachelor of Computer Applications
Rajasthan University | Jaipur, RJ
Aug, 2022 – July, 2025

Certifications

- Certified Google Analytics for Beginners from Google
- Certified Data Science and Machine Learning Basic to Advanced from Udemy
